Today I the Principal of Trinity Public School feels extremely privileged to bring in front of you the Annual Report of my school for the session 2022-23. This year was a challenging one for us. After a gap of over 18 months, all our students were back to school and our teachers had a very tough time in bridging the gap of learning. With great contentment I can affirm that we have been able to bring our children back to the rhythm of learning. All praise to the dedication and hard work of the teachers.

Apart from preparing the children for academic demands, we give emphasis in preparing our children to face the challenges of the competitive world. It is a matter of great significance to us that the students who pass out from our School be well disciplined and carry forward the values they have inherited and excel in life, being role models in the society.

On this joyous occasion, I would like to thank everyone who has been a stepping stone to reach this goal. This success has become possible due to the strenuous efforts, consistency in purpose by the management and the staff to give every child the best he or she deserves. We do our best to prepare the students to be confident and tension free so as to usher them in a waves of new hope. We strive to equip them with the courage to face any challenges they may come across.

Before stating about our Academic Excellence I would like to say that: Success is dependent on effort and success is sum of all small efforts. Yet another academic year of success and achievement unfolded with an honour conferred on AISSE students who are the 11th successive batch with 100% pass percentage in the CBSE Board Examination.

Our AISSE Toppers are :

The success is also the combined effort of the teachers whose supreme art is to awaken joy in creative expression and knowledge.

We are fortunate to have a cadre of well trained experienced, dedicated and capable teachers to fulfil the demands of the growing modern generation of students.
